	Teachers List	TreeView + TreeList	Show school hierarchy (Principal → Teachers → Students)
	Student Count per Class	Badge	Highlight student numbers dynamically
	Notifications	Notification + PanelBar	Alerts for pending approvals, student updates
	Admin Quick Actions	ButtonGroup	Perform bulk actions Like Export Teacher/Student in pdf OR you can choose any other actions to implement
	Theme Customization	ColorPicker	Change theme colors
		Toolbar	For Admin Feature

1.3 Progress Tracking (Gantt Chart)

Feature	Fields	Kendo UI Controls	Expected Output
Progress Tracking	Subject Name	ComboBox	Select subject
	Start Date	DatePicker	Set start date
	End Date	DatePicker	Set end date
	Completion %	NumericTextBox	Enter syllabus completion percentage

Syllabus Visualization	Syllabus Progress	Gantt Chart + Drag & Drop	Visualize progress, adjust tasks dynamically
-------------------------------	-------------------	---------------------------	--

2. Teacher Features

2.1 Teacher Registration (Wizard with Validation & Captcha)

Feature	Fields	Kendo UI Controls	Expected Output
Teacher Registration	Full Name	TextBox + AutoComplete	Enter full name
	Email	TextBox (Email Validation)	Validate email format
	Password	PasswordBox (Validator)	Secure password entry
	Phone Number	MaskedTextBox	Format phone numbers
	Date of Birth	DatePicker	Select birth date
	Qualification	DropDownList	Select teacher qualification
	Experience	NumericTextBox + Slider	Set years of experience
	Subject Expertise	MultiSelect Dropdown	Select multiple subjects
	Captcha Verification	Captcha	Security verification
Registration Process	Wizard	Wizard with Steps	Multi-step registration with validation

2.2 Teacher Dashboard

Feature	Fields	Kendo UI Controls	Expected Output
Dashboard	Assigned Students	Cards	Display assigned students
	Upcoming Classes	ListView + Timeline	Show class schedule
	Recent Uploads	FileManager	Manage uploaded materials
	Performance Analytics	Pie & Bar Charts	View analytics dashboard
Alerts & Actions	Notifications	Notification + PanelBar	Real-time alerts
Navigation Controls	Menu + TabStrip	Organize teacher features	

2.3 Uploading Teaching Materials

Feature	Fields	Kendo UI Controls	Expected Output
File Upload	File Name	Auto-filled TextBox	Display file name
	File Type	Label	Show file format
	Upload Date	DatePicker	Select upload date
	Subject	DropDownList	Select subject
Material Management	File Storage	File Manager + PDF Viewer	Upload/view teaching materials

2.4 Timetable Scheduling

Feature	Fields	Kendo UI Controls	Expected Output
Class Scheduling	Class Name	DropDownList	Select class
	Time Slot	TimePicker	Select time slot
	Subject	DropDownList	Select subject
	Teacher Name	Label	Display assigned teacher
Timetable Display	Schedule	Scheduler	View & edit timetable

3. Student Features

3.1 Student Dashboard

Feature	Fields	Kendo UI Controls	Expected Output
Student Dashboard	Student Name	Label	Display student name
	Class	ComboBox	Select class
	Subjects	MultiSelect Dropdown	Select enrolled subjects
	Performance Summary	Pie & Bar Charts + Splitter	View performance analytics
	Upcoming Exams	ListView	Show exam schedule
Payments & Alerts	Payments	ActionSheet	Manage fee payments

3.2 Syllabus Progress Tracking

Feature	Fields	Kendo UI Controls	Expected Output
Syllabus Tracking	Subject	DropDownList	Select subject
	Topic	TextArea	Enter topic name
	Completion %	ProgressBar	View progress visually
	Date	DatePicker	Set syllabus completion date
Visual Representation	Timeline	Timeline	Monthly syllabus tracking

3.3 Teacher Experience Rating

Feature	Fields	Kendo UI Controls	Expected Output
Teacher Feedback	Teacher Name	Label	Display teacher name
	Experience (years)	Slider	Rate teacher experience

4. Common UI Elements

Feature	Kendo UI Control	Usage
Forms & Dialogs	Form, Dialog	Collect data, confirm actions
Charts	Pie & Bar Chart	Student/teacher performance analysis
ToolBar	ToolBar	Quick actions for admins & teachers
PDF Export & PDF Viewer	PDF Export, PDF Viewer	Generate & view reports
